

PUT THE ANSWERS ON YOUR WALL

These beautiful works of educational art have helped millions of musicians understand and apply the principles of music theory to their playing. Like road maps to harmony, the easy-to-use cross-reference system based on the major scale (DO-RE-MI-FA-SO-LA-TI-DO) shows you how to find and play any chord or scale, in any key, anywhere on your instrument *even if you don't read music!*

Guitar Poster™

The most complete guide to the guitar ever made!

The Guitar Poster has helped three generations of players to master their instruments. Nothing else has ever come close. When you have questions, it has the answers.
